Microeconomics

Free YouTube Videos

Unit 1: Basic Economic Concepts

[Topic 1.1 Scarcity](#)- Scarcity, Microeconomics vs. Macroeconomics, Opportunity Cost, Trade-offs, Four Factors of Production, Physical Capital, Human Capital

[Topic 1.2 Resource Allocation and Economic Systems](#)- Three Economic Questions, Command, Market and Mixed Economies

[Topic 1.3 Production Possibilities Curve](#)- Efficiency, Opportunity Cost, Law of Increasing Opportunity Costs, Shifters of the PPC, Capital Goods, Future Growth

[Topic 1.4 Comparative Advantage and Trade](#)- Absolute Advantage, Comparative Advantage, Terms of Trade

[Topic 1.5 Cost-Benefit Analysis](#)- Explicit and Implicit Costs, $MB=MC$

[Topic 1.6 Marginal Analysis and Consumer Choice](#)- Law of Diminishing Marginal Utility, Sunk Costs, Utility Maximizing Rule

Unit 2: Supply and Demand

[Topic 2.1 Demand](#)- Property Rights, Incentives, Law of Demand, Substitution Effect, Income Effect, Change in Quantity Demanded vs. Change in Demand, Shifters of Demand

[Topic 2.2 Supply](#)- Law of Supply, Change in Quantity Supplied vs. Change in Supply, Shifters of Supply

[Topic 2.3 Price Elasticity of Demand](#)- Relatively Elastic, Inelastic, and Unit Elastic, Perfectly Inelastic Demand, Total Revenue Test

[Topic 2.4 Price Elasticity of Supply](#)- Relatively Elastic, Inelastic, and Unit Elastic, Perfectly Inelastic Supply

[Topic 2.5 Other Elasticities](#)- Income Elasticity of Demand, Cross-Price Elasticity of Demand

[Topic 2.6 Market Equilibrium and Consumer and Producer Surplus](#)- Price System and Resource Allocation, Consumer and Producer Surplus, Total Surplus, Deadweight Loss

[Topic 2.7 Market Disequilibrium and Changes in Equilibrium](#)- Equilibrium, Shortage, Surplus, Double Shifts

[Topic 2.8 The Effects of Government Intervention](#)- Price Floors and Price Ceilings, Taxes, Subsidies, Incidence of Taxes

[Topic 2.9 International Trade and Public Policy](#)- Autarky vs. Trade, Tariffs, Quotas

Unit 3: Production, Cost, and the Perfect Competition Model

[Topic 3.1 The Production Function](#)- Law of Diminishing Marginal Returns, Total Product, Marginal Product, and Average Product

[Topic 3.2 Short-Run Production Costs](#)- Total, Variable, and Fixed Costs, Per-Unit Costs (ATC, AVC, AFC, and MC), Cost Curves

[Topic 3.3 Long-Run Production Cost](#)- Increasing, Decreasing, and Constant Returns to Scale, Economies, Diseconomies, and Constant Returns to Scale (Efficient Scale)

[Topic 3.4 Types of Profit](#)- Economic Profit, Accounting Profit, Normal Profit

[Topic 3.5 Profit Maximization](#)- Profit Maximizing Rule ($MR=MC$)

[Topic 3.6 Firms' Short-Run Decisions to Produce and Long-Run Decisions To Enter or Exit a Market](#)- Economic Loss, Shutdown Rule

[Topic 3.7 Perfect Competition](#)- Barriers to Entry, Price Takers, Allocative and Productive Efficiency, Long Run Equilibrium, Constant, Increasing, and Decreasing Cost Industries

Unit 4: Imperfect Competition

[Topic 4.1 Introduction to Imperfectly Competitive Markets](#)-

Monopoly, Oligopoly, Monopolistic Competition, Price Makers, Elastic and Inelastic Range of Demand

[Topic 4.2 Monopoly](#)- Natural Monopoly and Inefficiency

[Topic 4.3 Price Discrimination](#)- Effects of Price Discrimination

[Topic 4.4 Monopolistic Competition](#)- Non-price Competition, Differentiated Products

[Topic 4.5 Oligopoly and Game Theory](#)- Interdependence, Game Theory, Dominant Strategy, Nash Equilibrium, Collusion, Cartels

Unit 5: Factor Markets

[Topic 5.1 Introduction to Factor Markets](#)- Factors of Production and Factor Payments, Supply and Demand for Labor

[Topic 5.2 Changes in Factor Demand and Factor Supply](#)- Factors of Production and Factor Payments, Supply and Demand for Labor, Shifters (Determinants) of Demand and Supply

[Topic 5.3 Profit-Maximizing Behavior in Perfectly Competitive Factor Markets](#)- Marginal Revenue Product (MRP), Marginal Factor/Resource Cost (MFC), Profit Maximizing Rule ($MRP=MFC$), Least-Cost Rule

[Topic 5.4 Monopsonistic Markets](#)- MFC Greater than Supply

Unit 6: Market Failure and the Role of the Government

[Topic 6.1 Socially Efficient and Inefficient Outcomes](#)- Market Failures and Socially Optimal Output, Private Marginal Benefits and Costs, Social Marginal Benefits and Costs

[Topic 6.2 Externalities](#)- External Benefits and Costs, Positive and Negative Externalities, Public Policies to Achieve Efficiently

[Topic 6.3 Public and Private Goods](#)- Non-Rivalry and Non-Exclusion, Free Rider Problem

[Topic 6.4 The Effects of Government Intervention in Different Market Structures](#)- Per-unit Taxes and Subsidies, Lump-sum Taxes and Subsidies, Regulation and Antitrust Policies

[Topic 6.5- Inequality](#)- Lorenz Curve and Gini Coefficient, Progressive and Regressive Tax Structures
